FOSDICK PROVIDES PAYMENT PROCESSING SOLUTIONS

In 2007, Fosdick was awarded PCI Certification as a Level 1 Credit Card Processor and has maintained that status ever since!

Installment Billing & Continuity Model Fulfillment

No need for yet **ANOTHER** third party platform to manage order flow and payment

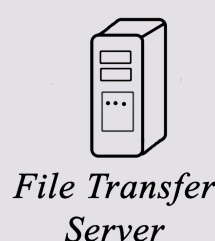

Fosdick handles the whole process - from input to approval - we even handle returns / refunds

Billing instructions programmed through EDI interface as part of job setup - all in one place within the Fosdick ecosystem

EDI File Exchange

To inquire about installment billing, continuity order and payment processing, or other 3pl services, reach out to sales@fosdickcorp.com
